**Prof. Dr. Sriram
Bhagut Mathe**

Dear Students, Alumni, Parents, Guardians, Faculty, Staff, Friends and Well-wishers of Xavier Academy (XA) and Kathmandu Don Bosco College (KDBC),

On behalf of the Board, I wish you all a very **BLESSED AND HAPPY NEW YEAR 2082 BS**. As the country is facing many crises on different fronts, including political, economic and environmental fronts, we can expect the coming year to be more challenging than the past few years. In spite of all these uncertainties, **let us do what we can to make Nepal and the world a better place. Let us pray for a cleaner and healthier natural and political environment, where we can all lead peaceful lives and pursue our dreams.**

Let us have the courage to "SET OUR GOALS HIGH, DREAM BIG", knowing that "WE ARE AS BIG AS THE DREAMS WE DARE TO LIVE". Let us wish and pray for a more peaceful and prosperous Nepal and the world, sans terrorism and wars.

The 2-year academic journey that Class XII students embarked upon almost 2 years ago is coming to an end. **We wish our Class XII students the very best in their upcoming final NEB examinations**, which will start on 24 April and finish on 7 May 2025. To ensure that Xavier Academy maintains 100% results, XA, through its dedicated teachers, is conducting intensive coaching for those students who did not perform well in the pre-Board HISSAN exams. We

expect every Class XII student to come out with flying colors.

Class XI students are undertaking the pre-Board exams, which started on 7 April and will finish on 17 April 2025, after which, intensive coaching classes will be conducted to ensure that all the students will perform well in the Class XII final exams, which will start on 16 May 2025 and finish on 27 May 2025. **We wish all our Class XI students the very best in the ongoing pre-Board and upcoming final exams.**

Our best wishes also to all the students of BBA and MBA, who are appearing for various semester/final exams.

I am extremely confident that all our students from XA and KDBC will perform extremely well in all the exams so that they all can take the next step to achieve their goals/dreams.

The past month has been very hectic for the XA administration with Class XII pre-Board HISSAN exams, farewell program by the Class XI students for the Class XII students, felicitation program for the toppers/Student Council members, as well as ongoing Class XI pre-Board exams and intensive coaching classes. Now these welcome distractions are over, the students are studying hard, as they have been advised to do by the Chairman, Principal, Vice-Principal and Coordinators. They have been told, recounting many examples of successful people, that there are no short cuts to success. Confidence/self-belief, positive attitude and, most importantly, hard work will enable them to be successful in their exams and in their future endeavors.

Last year in 2024, XA had set the target of acquiring a school. I am very happy to formally announce that XA has bought shares and has struck a strategic partnership with **BEST ELEMENTARY SCHOOL** and has embarked on an ambitious program to upgrade all the facilities to impart quality education and to

boost the enrollment. **With this strategic partnership with BEST Elementary School, students can now study pre-school and from Class I to Class X in BEST Elementary School, Class XI and XII in XA and BBA and MBA in KDBC. We have now become a complete school and college.**

XA is also very happy to inform the entire XA and KDBC families that the design for the new 10-storied building has been approved, after a very competitive design competition, and design finalization by the winning A&E firm. We are in the process of securing the necessary municipality approval so that the construction can start within the next couple of weeks and be completed by end of June 2027 for it to be inaugurated as part of XA's 30th Anniversary celebrations.

XA is committed to maintain its 100% pass track record and is now preparing to enroll about 250 students in Class XI after the SEE results are published and celebrate the 28th Anniversary on 1st August 2025.

In conclusion, all the students of XA and KDBC are reminded of the following:

Life is your journey, goals are your destination and hard work is your set of wheels.

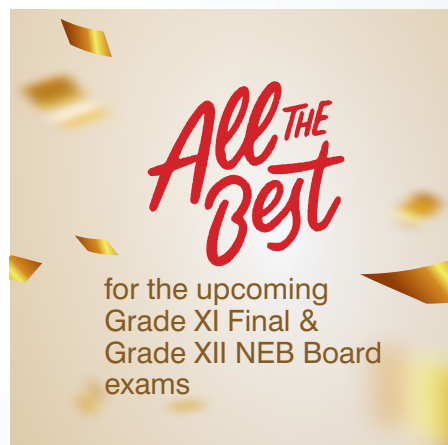

As a student the most important thing to remember is that Laziness is your worst enemy and Hard Work is your best friend.

Life is less complicated than it seems. Good habits and hard work are all it takes to succeed and win.

In conclusion, I would like to wish all of you and all your loved ones a VERY HEALTHY, HAPPY AND PROSPEROUS NEW YEAR 2082 BS and wish the students of both XA and KDBC the very best in their upcoming final exams.

From the Principal's Desk

Dear Students, Parents, Teachers, Staff, and Well-Wishers,
Kathmandu Don Bosco College and Xavier Academy

As we step into this New Year, I extend my heartfelt wishes to you all for a year filled with hope, resilience, and progress. May this year inspire us to better ourselves and our nation, with honesty in our intentions, ethics in our actions, and diligence in our efforts.

Education remains the foundation of a prosperous country. True development comes not only from intelligence but also from wisdom and integrity. Let us continue to strive for excellence and contribute to a brighter future for our society.

I would also like to extend my best wishes to the Grade XII students of Xavier Academy and BBA & MBA students of Kathmandu Don Bosco College as they prepare for their final examinations. May your hard work and dedication lead you to success.

Wishing you all a joyful, prosperous, and fulfilling New Year !

BBA 7TH BATCH ORIENTATION

1-2 Feb 2025

Kathmandu Don Bosco College recently hosted an inspiring BBA Orientation Program, setting the stage for a transformative academic journey. The event aimed to introduce new students to the values, expectations, and opportunities within the BBA program while fostering a sense of belonging from day one.

The program was graced by Ms. Rashmi Sharma Mainali, Principal of Kathmandu Don Bosco College,

who welcomed the new batch with an encouraging address, emphasizing the importance of leadership, innovation, and continuous learning in business education.

Dr. Jamuna Karki, Program Head, shared insightful thoughts on the academic rigor and professional growth awaiting students in the program with fun-filled activities associated with the management studies. Her speech highlighted the role of business education in shaping critical thinkers and ethical professionals. Mr. Bishow Raj Bhatta, Coordinator of the BBA Program, provided a detailed overview of the academic structure, student expectations, and the

various resources and opportunities available to help students excel in their journey.

Serving as the Emcee for the event, Ms. Retina Khadka (Senior Program Officer) ensured a smooth and engaging flow of the program, keeping the energy high and interactions lively.

Another highlight of the event was the presence of one of the faculty members Mr. Bikash Neupane, who inspired students with real-world insights and motivational experiences, bridging the gap between academic learning and industry expectations with fun-filled team building activities.

POTENTIAL INTERNATIONAL COLLABORATIONS!

14 Mar 2025

Kathmandu Don Bosco College (KDBC) recently had the privilege of hosting Dr. Mark Finlayson, a distinguished Associate Professor of Computer Science at Florida International University (FIU), for an engaging discussion on potential academic and technological collaborations. During his visit, Dr. Finlayson met with the Program Heads and associated team members of different programs at KDBC, exploring opportunities to enhance education and research in Artificial Intelligence (AI), Natural Language Processing (NLP), and Computational Narratives. His expertise, particularly in language, cognition, and culture, aligns with KDBC's vision of integrating cutting-edge technology into its academic framework.

The discussions opened avenues for collaborative research, faculty exchange programs, and knowledge-sharing initiatives, promising a transformative impact on KDBC's technology and education landscape. A special appreciation goes to Mr. Kapil Dev Regmi for his initiative in making this valuable exchange possible. KDBC remains committed to fostering international collaborations that empower students and faculty alike, reinforcing its mission to be a leader in tech-driven education.

GUEST SESSION ON NEGOTIATION SKILLS

10 March 2025

The BBA program at Kathmandu Don Bosco College recently hosted an insightful guest session on Negotiation Skills, led by Ms. Yogina Shakya. The session provided students with practical strategies to enhance their ability to negotiate effectively in professional and personal settings.

Ms. Shakya shared key techniques on persuasive communication, conflict resolution, and strategic decision-making, helping students develop confidence in handling negotiations. The interactive session included real-world case studies and engaging activities, allowing students to apply their learning in a hands-on manner.

This session was a valuable addition to the BBA curriculum, equipping future business leaders with essential skills for their careers.

GUEST SESSION ON BUSINESS ENVIRONMENT

19 Mar 2025

Mr. Niraj Adhikari conducted an insightful session on the Business Environment, engaging students from BBA 2022 and BBA 2023. The session provided students with a comprehensive understanding of the dynamic business landscape, emphasizing key factors such as economic trends, government policies, and global market influences. Mr. Adhikari shared practical insights from his industry experience, helping students grasp the significance of adaptability and strategic decision-making in today's competitive world. The interactive session also included case studies and discussions on real-world business challenges, making it an engaging learning experience. This session was part of the college's ongoing effort to bridge academic learning with industry expertise, preparing students for future leadership roles.

INDUSTRIAL VISIT TO DDC

21 Mar 2025

Students from BBA 2023 and 2024 visited DDC (Balaju, Kathmandu) to gain hands-on exposure to industrial operations. This visit aimed to provide students with firsthand exposure to industrial operations, supply chain management, and quality control processes in the dairy industry. During the visit, students observed various stages of dairy production, from milk processing to packaging, and gained insights into the company's sustainability

initiatives and regulatory compliance. Industry experts at DDC also shared valuable knowledge about market trends, operational challenges, and career opportunities in the FMCG sector. This experiential learning opportunity enhanced students' understanding of real-world business operations, bridging the gap between classroom theories and practical industry applications.

CAREER SERVICE CENTER (CSC)

The Career Service Center (CSC) at Kathmandu Don Bosco College has been actively supporting the BBA students of the 2024, 2023, and 2022 batches by offering a range of skill-building opportunities through its Skill Lab. These initiatives are designed to prepare students for the competitive job market by enhancing their soft skills, technical abilities, and professional competencies. The Skill Lab Assessment serves as a comprehensive evaluation of students' abilities across various domains. BBA students participated in hands-on activities and exercises that focused on critical areas such as: communication skills, teamwork and leadership, problem solving skills, time management etc. As part of the Skill Lab Program, the Career Service Center also organized a variety of short courses aimed at boosting students' employability. The BBA batches (2024/2023/2022) successfully completed the courses. These skill-building efforts are part of the BBA program's ongoing commitment to producing well-rounded professionals who are ready to tackle challenges in the business world. With the completion of these courses, our students are now better equipped with the practical knowledge and soft skills necessary to thrive in their future careers. The Career Service Center will continue to offer additional workshops, mentorship programs, and networking opportunities to ensure that students are prepared for the workforce.

RECRUITMENT IN PODCAST & COUNCIL

The KDBC Podcast Group is a vibrant and creative team that produces engaging content about college life, student experiences, current events, interviews, and much more where first-semester students have been warmly welcomed by the team. The freshers learned about the program, and are actively engaging with the Student Council for support and orientation throughout the semester.
