**Prof. Dr. Sriram
Bhagut Mathe**

Dear Students, Alumni, Parents, Guardians, Faculty, Staff, Friends and Well-wishers of Xavier Academy (XA) and Kathmandu Don Bosco College (KDBC),

On behalf of the Board, I wish you all a very **BLESSED AND HAPPY NEW YEAR 2083 BS**.

May 2083 BS be the year, when Nepal capitalizes on the demographic dividend, utilizes the spotlight it has gained in the world stage due to the Gen Z revolution on 8 and 9 September, and subsequently, the election of youngest Prime Minister in the world in 2026 and the youngest cabinet in Nepal's history and possibly in the world due to the tectonic "youth shift" in Nepali politics after the snap general elections on 6 March 2026, and takes giant strides in minimizing corruption, ensuring responsibility, transparency, accountability, meritocracy and promoting commitment, sincerity and performance.

With 30 changes of government in the last 35 years, Nepalese were totally fed up with the game of "musical chairs", resorted to by the 3 main political parties, and were yearning for radical change in national governance. The frustration boiled over during the Gen Z revolt and the country witnessed a political "tsunami", the scale and intensity of which was totally baffling, with all the major mainstream parties, notably, Nepali Congress, UML and NCP, as well as the Terai-based parties, swept under the carpet, and the people giving a huge mandate to Rastriya Swatantra Party (RSP) a party, which had registered just prior to the 2022 general elections. The Nepalese gave this new alternative party a resounding mandate, with the party falling just short of 2 seats of 2/3rd majority, and expects this government to propel the country forward and make this country peaceful, progressive and developed. No more "ifs" and "buts", as people have stated emphatically through the ballot box that "enough is enough".

The people have provided RSP the golden opportunity to make this country prosperous. In spite of our overwhelming expectations, we have to be patient and give RSP enough time to fulfill the pledges they have made in their manifesto. If RSP fails the

people who have elected them, the country will slide into deeper into the "corruption and bad governance" quagmire, which has hindered the country's growth over the last 35 years.

It is in this exciting, and uncertain, period of our nation's history that we wish our Grade XI and Grade XII students of Xavier Academy, as well as BBA, BIT, MBA and eMBA students of KDBC, who directly or indirectly played their part in the Gen Z revolution and its aftermath, the very best in their final Board examinations and University Exams.

So far 27 batches of XA students have performed extremely well to make XA one of the top ten, reputed, sought after +2 institution in the country. Our approximately 6,500 graduates have excelled in their chosen careers all over the world. In keeping with our proud tradition, we expect the 28th batch (2024-2026) as well as our 29th batch (2025-2027) to perform well in the Grade XII (27 April - 10 May) and Grade XI (17-26 May) final exams and proceed to excel in their chosen careers.

Our 2026 valedictorians, **Medha Shrestha (Science)** and **Arnav Ranjit (Management)** during the farewell program on 3 April, our toppers who were felicitated along with their parents on 10 April as well all our current students, and all our alumni, have time and again, appreciated the care, and the holistic, excellent and ethical environment we have provided to them so that they can grow, mature and shape their futures. This is what makes XA a unique +2 institution.

Excellence and ethics are also at the core of the KDBC's ethos and value system. It is because we challenge our KDBC students to excel and to be ethical, our students continue to win laurels in the University exams, year after year. **Mr. Salan Adhikari (MBA Topper, 2023)** and **Mr. Anuj Raj Shrestha (Triple Gold Medalist 2024)** have once again shown why KDBC is one of the top business schools in the country.

At the risk of being repetitive, I would like to exhort all the XA and KDBC students to have the courage to **"SET GOALS HIGH, DREAM BIG", knowing that "WE ARE AS BIG AS THE DREAMS WE DARE TO LIVE"**.

As the American motivational speaker, **Les Brown** has stated **"Shoot for the moon. Even if you miss, you'll land among the stars."** Dream boldly, but walk each day with discipline. Courage is not absence of fear but the choice to act despite it.

Once again, I would like to wish **our Class XII students the very best in their upcoming final NEB examinations**, which will start on 27 April and finish

on 10 May 2026 and **also wish our Class XI students the very best in the Class XI final exams**, which will start on 17 May 2026 and finish on 26 May 2026. **Our best wishes also to all the students of BBA and MBA, who are appearing for various semester/final exams.**

I am extremely confident that all our students from XA and KDBC will perform extremely well in all the exams so that they all can take the next step to achieve their goals/dreams.

I wish to conclude my message with 2 important announcements: XA has its own school "XA BEST Elementary School", and will be soon starting the construction of the new 10 storied AI Center. Students can now study from Class I to Class X in BEST Elementary School, Class XI and XII in XA and BBA, BIT, MBA and eMBA in KDBC and also venture into the exciting AI world, when the new building is completed.

In conclusion, all the students of XA and KDBC are reminded of the following:

Life is your journey, goals are your destination and hard work is your set of wheels.

As a student the most important thing to remember is that Laziness is your worst enemy and Hard Work is your best friend.

Life is less complicated than it seems. Good habits and hard work are all it takes to succeed and win.

In conclusion, I would like to wish all of you and all your loved ones a VERY HEALTHY, HAPPY AND PROSPEROUS NEW YEAR 2083 BS and wish the students of both XA and KDBC the very best in their upcoming final exams and in their future endeavors.

Message from the Principal:

Dear Students, Parents, and Teaching & Non-Teaching Staff of **Xavier Academy (XA) and Kathmandu Don Bosco College (KDBC)**,
Warm greetings on the occasion of New Year 2083. On behalf of the entire college community, I wish you and your families a healthy, happy, prosperous, and safe year ahead.
This year holds particular significance as we continue to witness a changing national landscape shaped by aspirations for integrity, accountability, and responsible leadership. Such developments inspire hope for a progressive and resilient Nepal. It is my sincere belief that our students will grow with confidence in this evolving environment and continue to regard Nepal as a place of opportunity, dignity, and belonging.
Academically, this is an important phase for many of our students. At **KDBC**, **BBA** students are currently appearing for their Board Examinations, while **BIT**

Board Examinations are scheduled from the first week of Baishak. Our **MBA** students are also preparing for their semester-end examinations. We take immense pride in the remarkable achievements recorded in our Hall of Fame, including four gold medals—**Mr. Salan Adhikari (MBA Topper, 2023)** and **Mr. Anuj Raj Shrestha (triple gold medalist, 2024)**, whose accomplishments continue to inspire excellence within our academic community.
At **XA**, our students have consistently demonstrated excellence across academics, co-curricular, and extracurricular domains. We proudly recognize our Valedictorians, **Ms. Medha Shrestha (Science)** and **Mr. Arnav Ranjit (Management)**, for their outstanding achievements and exemplary leadership. As Grade XI students prepare for their Pre-Board Examinations and Grade XII students gear up for their Board Examinations, I extend my heartfelt best wishes for their success.

Beyond academic accomplishments, I would like to acknowledge and appreciate the unwavering support of our parents, the dedication of our teaching faculty, and the commitment of our non-teaching staff. Your collective efforts form the foundation upon which our institutions continue to grow and excel.
To all our students, I encourage you to remain focused and disciplined in your pursuits. At the same time, remember to take care of your physical and mental well-being. Success is best sustained when it is supported by good health, balance, and a positive mindset.
As we step into the New Year, let us renew our commitment to learning, growth, and shared values. May this year bring new opportunities, continued achievements, and collective progress for each one of you.
Wishing you all a successful, fulfilling, and prosperous New Year 2083.

GRADE 12 TOUR: A MEMORABLE EXPERIENCE

6-10 Jan 2026

In addition to course knowledge, XA emphasizes experiential learning from the field visit/tour to various parts of Nepal and abroad. This year, the students of Grade XII Science and Management enjoyed successfully a five day educational tour conducted during the winter vacation from 6 to 10 January 2026.

The tour covered Bhedetar, Dharan, Shree Antu, Kanyam, and Darjeeling, providing students with enriching exposure to natural, cultural, and educational experiences beyond the classroom. Throughout the journey, students actively

participated in group activities, observed diverse environments, and strengthened peer bonding.

The tour was safely and smoothly managed with the active involvement and supervision of faculty members and staff, ensuring a well-organized and memorable experience for all participants.

Xavier Academy remains committed to holistic education and believes that such educational tours play a vital role in enhancing students' learning, confidence, and overall development.

XAVIER ACADEMY HOSTS ACADEMIC DISCUSSION ON EDUCATION AND HOLISTIC LEARNING

21 Jan 2026

Xavier Academy held an academic discussion session on 21 January 2026 at 12:00 noon, focusing on the theme "Swami Vivekananda's Philosophy in Dialogue with Modern Pedagogy."

The session explored how Swami Vivekananda's ideas on education connect with today's outcome-based learning system. Participants discussed the need to go beyond exams and results, and to give equal importance to character development, values, and overall human growth.

The discussion was led by Prof. T. K. Datta, whose insights made the session highly engaging and meaningful. Around 20 participants attended the program, including faculty members from different NEF colleges, invited guests, and staff of Xavier Academy. The event was also attended by the Principal, Vice-Principal, Coordinators, and Board Member Prof. Pramod Bahadur Shrestha.

At the end of the session, Prof. T. K. Datta was presented with a souvenir as a token of appreciation.

BASANTA PANCHAMI CELEBRATION AT XA

23 Jan 2026

Shri Panchami 2082 was celebrated in the college premises. Principal Ms Rashmi sharma Mainali and VP Mr. Prakash Shrestha along with college staff and students worshipped the deity of knowledge and wisdom. May Goddess Saraswati Mata bestow us the light of knowledge and wisdom!

BATTLE OF BANDS

29 Jan 2026

Xavier Academy hosted an incredible battle of bands program bringing together students for live show. The event provided a grooming platform for aspiring musicians, singers, and performers to showcase their raw talent in accosting ambience. Aghor Band emerged as the winner, impressing judges and audiences with their outstanding musical performance. The event was organized by Xavier Academy and its Student Council at the Lazimpat college premises in Kathmandu on Thursday, providing a vibrant platform for students to showcase their musical talents.

The winner Aghor Band , received a cash prize of NPR 15,000. In the same competition, Naulo band secured the first runner-up position, while Fluviono emerged as the second runner-up. Both teams received cash prizes in recognition of their performances. The first runner-up received NPR 10,000, while the second runner-up received NPRS 5,000.

Aghor Band captivated the audience with performances of popular Nepali songs including "Aakashaimaa Chila Udyo Fanana," "Farki Farki Nahera," and "Maya Timile Kahile." Their strong musical coordination and stage presence distinguished them from the other competing bands.

In the competition, six bands Aghor, Naulo, Fluviono, Riot Brigade, Retro Rampers, and Midnight Echo

participated, each delivering energetic performances that turned the college premises into a lively celebration of youth, rhythm, and creativity.

The judging panel comprised Xavier Academy alumnus Mrinal Manandhar, along with Kunal Singh and Umesh Dangol.

In addition to winning the main title, Aghor Band was also honored by We Will Rise Foundation (WWRF), Kathmandu. At a program organized on Saturday at the foundation's office in Gongabu, each band member was awarded a cash prize of NPR 5,000 along with trophies, recognizing their exceptional performance and encouraging continued dedication to music.

We Will Rise Foundation (WWRF) was established after the devastating earthquake of 2015 with the aim of rebuilding hope and strengthening communities. Since then, the foundation has actively worked to promote and motivate youth, encouraging them to channel their talents into positive and creative pursuits. WWRF continues its mission of empowering young people and nurturing future leaders through art and culture.

The Battle of the Bands is an annual event organized by Xavier Academy to identify, nurture, and promote hidden musical talents among students, offering a meaningful platform for creative expression and confidence-building.

The program was attended by Xavier Academy's Vice Principal and Chief Administrative Officer Prakash Shrestha; record-holding mountaineer Phurba Tenzing Sherpa, who has summited Mount Everest 17 times; and representatives of the We Will Rise Foundation, including Director Nirmal Shrestha, Khadga Pariyar and Ashok Gurung, among others.

SOCIO PSYCHO COUNSELLING

11 Feb 2026

Since mental wellbeing is as important as physical fitness, XA reinforces the psychological health of students. With this in mind, a motivational session was conducted for students by Clinical psychologist Ms. Rupa, who emphasized the power of mindset and the role of psychology in overcoming limiting beliefs. Through an interactive activity, she encouraged students to recognize their true potential and believe in their ability to achieve more. The session concluded with an announcement that Xavier Academy will be offering free and anonymous socio-psychological counselling sessions, encouraging students to seek support whenever needed.

PRINCIPALS' MEET 2026

11 Mar 2026

XA organized a gathering of various school principals from around the Kathmandu valley to express gratitude for recommending their SEE graduates directly or indirectly to join Xavier Academy Grade XI for higher studies. The Principals' Meet 2026, commenced at 4:00 PM at the academy's Seminar Hall. The gathering brought together 47 participants from 32 schools, creating a vibrant forum for dialogue on the evolving landscape of education.

The program began with welcome remarks by the Principal, Ms. Rashmi Sharma Mainali, who emphasized the importance of educational leaders keeping pace with the dynamism of modern education and adapting to rapidly changing academic and societal expectations.

Hon. Umesh Shrestha, Vice Chair, highlighted the growing importance of skill-based education in Nepal's academic framework. He also congratulated the Rastriya Swatantra Party for its clean sweep in the 2026 Nepal Elections and used the platform to urge policymakers to work towards establishing Nepal as a regional education hub.

The Chairperson of Xavier Academy, Prof. Dr. Sriram Bhagut Mathe, delivered a compelling presentation on Nepal's academic landscape, outlining the challenges and opportunities facing the country's education sector. He stressed the need to create

systems that enable Nepal to retain its youth and channel their potential towards building a prosperous nation.

Former Chairperson Prof. Dr. Pramod Bdr. Shrestha reflected on his academic journey and encouraged school leaders to place strong emphasis on the mental and physical well-being of students, noting that holistic development is essential for meaningful education.

The highlight of the event was a moderated panel discussion on the theme "Shared Vision in Education." The discussion was moderated by the Principal, Ms. Mainali, and featured distinguished panelists:

Mr. Chandrayan Shrestha, Principal of Triyog High School, emphasized the growing relevance of skills-based learning and urged educators to understand the psyche of today's youth while guiding them toward responsible citizenship.

Mr. Dilip Rana, Director-Principal of NIST School, shared how sustainability-driven projects have empowered students in his school, who are enthusiastically embracing responsibilities in shaping a better future.

Mr. Kumar Thapa, Principal of Brihaspati Vidya Sadan, spoke on the importance of freedom in education, asserting that freedom of thought, action, and creativity nurtures critical thinking and innovation.

Ms. Sushma Lama, Director-Principal of Xavier Academy Best Elementary School, highlighted the crucial role of parents in shaping children's futures and emphasized discipline as a core value within academic institutions.

During the discussion, participating principals collectively agreed on the urgent need to reform the academic system and syllabus to align with the demands of evolving times and the aspirations of the younger generation.

The formal session concluded with a vote of thanks by Vice Principal, Mr. Prakash Shrestha, who expressed gratitude to all the principals for their participation despite demanding schedules and encouraged continued collaboration in making education more relevant and impactful.

The evening continued with a Fellowship Dinner at Radisson Hotel Kathmandu, where participants engaged in informal discussions on student welfare, academic innovation, and collective leadership in education. The gathering concluded with a shared commitment among educators to meet more often, strengthen camaraderie, and work together toward meaningful educational progress.

LAST DAY CELEBRATION

10 Mar 2026

Each year marks the farewell ceremony of our Grade XII cohort. This time of parting is an overwhelming experience to both teachers and students alike. Our students honor their teachers, and the celebration of

gratitude is marked by cutting the cake from each section.

We wish our students excellence in their examinations and hope that they will acquire proficiency in professional careers as well.

CPR TRAINING

20 Mar 2026

On March 30, a CPR training session was conducted for the staff by Rajana Tuladhar (BLS/ACLS certified). The session covered essential life-saving techniques, including cardiopulmonary resuscitation (CPR), chest compressions, airway management using the head tilt-chin lift method, and rescue breaths.

The training was helpful and practical, with staff members taking turns to perform CPR on a manikin, ensuring hands-on experience and better understanding of emergency response procedures.

EDUCATIONAL EXCURSION

13 Mar 2026

An educational field visit was organized by XA for XI Science and Management students. On Friday, March 13, 2026, Grade XI students were taken on educational excursions as part of their curriculum. Science students visited Himalayan Brewery Ltd. in Godavari to observe brewing, fermentation, and quality control, while another group explored the

National Herbarium and Plant Laboratories, studying plant specimens and learning research and preservation techniques.

Management students toured Nebico Biscuits in Balaju, gaining insights into production processes and business operations. These trips gave students valuable hands-on learning beyond the classroom. The trip was conducted under the guidance of teachers and staff. During the visit the science

students observed scientific processes and environmental aspects while the management students studied the organizational structure, business operations and management practices. The students interacted with officials and gathered useful information. Overall, the visit was informative and enjoyable both.

FAREWELL PROGRAM

3 Apr 2026

XA bid farewell to its 2024-2026 batch in a great celebration organized by the students of Grade XI. The event highlighted the respect and love for Nepali tradition and identity. Students donned their traditional attire and glamorized the hotel ambience. The program commenced with the lighting of panas followed by the national anthem and XA anthem. Students showcased their performance and entertained everyone's heart present in the hall. Our valedictorians, Medha Shrestha XII Science and Arnav Ranjit Shrestha XII Management instilled the hope in the minds of the juniors and motivated their

fellow mates to excel in their examinations in flying colors. Topper students in various categories were awarded a cash prize of NPR 100000, a medal, a certificate of recognition, and a letter of recommendation. The parents of the winners observed the momentous spectacle.

XA also got its ambassadors for 2026 in Mr Kabir Darnal as Mr Xavier and Miss Dristi Maharjan as Miss xavier. Both contenders outdid other participants in the neck-to-neck competition. Other performers too were equally good in their performances.

ANNUAL FACULTY MEET 2026 4 Apr 2026

Annual Faculty Meeting Successfully Held on April 4, 2026. The program began with light snacks and tea/coffee, creating a relaxed and welcoming start, and ended with dinner along with a pleasant surprise for all attendees. The session opened with a welcome and introduction by Ms. Jamuna Karki, PhD, Program Head. She shared key academic priorities, focusing on improving teaching quality through better time management and internal assessments. She also highlighted the importance of clear course requirements, proper lecture planning, and effective class and exam management. Next, Ms. Rashmi

Sharma Mainali, Principal/Director, spoke about college-related matters, faculty benefits, and the core values of the institution. Her message emphasized building a positive, supportive, and growth-focused academic culture. The program continued with special remarks from the Chairperson, Prof. Dr. Sriram Bhagut Mathe. He shared valuable thoughts on institutional progress and the important role teachers play in achieving academic excellence. During the meeting, he also honored seven faculty members who have dedicated more than 10 years of service to the institution, expressing gratitude and

presenting them with small tokens of appreciation. An interactive session cum introduction followed, where teachers openly shared their views, ideas, and concerns, encouraging healthy discussion and mutual understanding. The meeting concluded with closing remarks from Mr. Prakash Shrestha, CAO and Member of the Board of Directors, who appreciated everyone's participation and contributions. Overall, the Annual Faculty Meeting was a meaningful and engaging event that encouraged reflection, collaboration, and a shared commitment toward continuous improvement and academic excellence.

BBA young Visionaries

From the classroom to the top of the podium! Huge congratulations to our BBA 2024 Batch, Shubhangi Shrestha, for clinching the GOLD medal at the 4th Mount Everest International Taekwondo Championship.

More than a title - a man with a mission.

More than a title—a man with a mission. Huge congratulations to our very own BBA 2025 Batch student, Santosh Lokshum Limbu, on his cover feature in Living magazine! From the rigorous discipline of Gorkha training to representing Nepal on the world stage in Vietnam, Santosh proves that "limits exist only when you accept them". Whether he's in the lecture hall or on the silver screen, he remains a champion for mental health, youth talent, and the future of Nepal.
